

The New York State Federation of Democratic Women (NYSFDW) had its official beginning on May 20, 2011, although there had been individual Democratic women's clubs in New York State for many years. The NYSFDW provides a forum all Democratic Women's Clubs in New York State for discussion of public matters, to support qualified candidates for public office and to encourage qualified Democratic women to seek elected office.

We are a member in good standing of the National Federation of Democratic Women. The NYSFDW is made up of county chapters and individual members.

County chapters are defined as a county democratic women's group (club) recognized by their own county party organization and who pay dues to the New York Federation of Democratic Women. Annual dues are fifty dollars (\$50).

Individual members are defined as democrats who do not belong to a county chapter. Annual dues are ten dollars (\$10).
